

BTY Fitness Site Map

Core Routes

- ``/`` - Home page
- ``/programs`` - Program overview
- ``/consultation`` - Consultation intake form
- ``/book`` - Public booking page with recurring schedule slots
- ``/merch`` - Merchandise page
- ``/about`` - About Madison page
- ``/qualifications`` - Qualifications and degrees page
- ``/testimonials`` - Testimonials page
- ``/admin`` - Madison admin dashboard

Persistent UI Elements

- Top navigation links to the main public pages.
- The Book Session button in the navbar goes to ``/book``.
- The coach portal link in the footer goes to ``/admin``.
- The Sonic assistant widget appears on the site as a floating button and opens an embedded chat drawer.

Assistant Behavior

- When users ask where something is, answer with the route name and a short description.
- When users ask how to book, point them to ``/book``.
- When users ask for admin controls, point them to ``/admin``.
